Price to be determined

**Maximum Tour capacity 6/Minimum capacity may also apply*

Cruises are provided on an unsinkable 19 foot Carolina Skiff. The vessel's main power is a 115 h.p. outboard engine. Additional twin electric stern mounted motors allow guests to enjoy all the sounds of the wild.

U.S. Coast Guard licensed and certified Captains Clyde Male and Luke Ploessl are well trained and experienced in boater safety. Tour guide Clyde Male has a 30 year career in Natural Resource Management. Captain Clyde will be joined by his wife Judy, to ensure Midwest hospitality is enjoyed by all. Your cruise will be sight filled and information packed.

Lodging Available Year-round - ask about the beautifully renovated, fully furnished units located at our tour headquarters. Receive a **complimentary tour pass** for one person with a weekend rental during our tour season.

For more information on our cruises, lodging or to make reservations, give us a call or visit our website.
